

# THE 16<sup>th</sup> ASIAN WORKSHOP ON POLYMER PROCESSING AWPP2017

HUST  
CCPR

HANOI UNIVERSITY OF SCIENCE AND TECHNOLOGY

The Asian Workshop on Polymer Processing (AWPP) is an annual workshop. Following the AWPP2010 in Hanoi, Vietnam and previous successful workshops, the 16<sup>th</sup> AWPP2017 will be held in HUST, Hanoi, Vietnam from

**16-19 October 2017.**

The venue and location of the conference is very close to the United Park, Song Hong river and also Hoan Kiem lake, where you will experience the most scenic spot in the capital city with traditional music and Vietnamese food.

The AWPP2017 is expecting scientists, researchers and other participants from the Asian and around the world as a good opportunity to strengthen the relation and cooperation./.

## Key Dates:

Abstracts Open: 1 January 2017

Full Manuscripts Submission Deadline:

**FRIDAY 16 June 2017**

## General Symposia

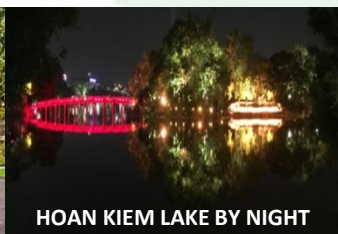

- Alloys & Blends & Composites
- Injection Moulding
- Polymer Modification
- Biopolymer & Bio Technologies
- Rheology & Rheometry
- Recycle & Environment & Energy
- Extrusion Technologies
- Fibers & Films & Textiles
- Nano Technology
- Advanced Polymer Processing and Materials
- Structure & Properties & Simulation
- Special Workshop

CONFERENCE HALL

HUST

HOAN KIEM LAKE BY NIGHT

CONFERENCE BUILDING

## AWPP2017 Domestic:

Chairman: Prof. Huynh Quyet Thang, Vice President of Hanoi University of Science and Technology (HUST).

Organizer Chair: Prof. Huynh Dang Chinh, Dean of School of Chemical Engineering (SCE, HUST).

Conference Chair: Dr. Phan Trung Nghia, Director of Center for Science and Technology of Rubber (CEBER, HUST).

## AWPP2017 International:

Australia Prof. Satinath Bhattacharya (RMIT University)

Australia Dr. Predrag Micic (Qenos Pty Ltd.)

China Prof. Weimin Yang (Beijing University of Chemical Technology)

Prof. Qiang Fu (Sichuan University)

India Prof. Anup Ghosh (Indian Institute of Technology)

Japan Dr. Toshitaka Kanai (KT Polymer)

Japan Prof. Takeshi Kikutani (Tokyo Institute of Technology)

Japan Prof. Takushi Saito (Tokyo Institute of Technology)

Korea Prof. Kyung Hyun Ahn (Seoul National University)

Korea Prof. Myung Ho Kim (Hannam University)

Malaysia Prof. Zainal Arifin Mohd Ishak (Universiti Sains Malaysia)

New Zealand Prof. Chi Zhang (University of Auckland)

Singapore Prof. Chaobin He (Institute of Materials Research & Engineering)

Taiwan Prof. Shih-Jung Liu (Chang Gung University)

Thailand Dr. Wanee Chinsirikul (National Nanotechnology Center)
